

BSH Haematology Taster Day 2025

Virtual event designed for Foundation Doctors, Internal Medicine Trainees and other Resident Doctors, who are interested in pursuing a career in Haematology.

Date: October 15th 2025

Time: 09:00-16:30

Location: Online Meeting

This event will be delivered online as combination of live webinars and live small group interactive sessions.

The course aims to:

- Give a flavour of life in haematology
- Showcase opportunities within haematology such as teaching, research and working abroad
- Highlight aspects of the application and interview process including CV optimisation
- Inspire the next generation of doctors to pursue a career in haematology
